Bicycle transport

In general, the transport company will gladly transport your bicycle as well. However, in the interests of all passengers, this may depend on the time of day, the volume of passengers and the space available. Please familiarise yourself in advance with the applicable carry-on regulations of your transport company.

Timetable app

Would you like to travel by bus and rail and do you need information and services for your journey? With the VRR timetable app and the timetable apps from the local transport companies for iOS and Android you can always have your own personal travel companion with you. Simply enter your starting location and your final destination and the app will show the local transport connections you need to take. If there should be any service interruptions during your journey, you shall be informed of this on your smartphone. You can download the apps from the respective app stores.

Mobility guarantee

It applies when the local transport you want to use is cancelled or if it is at least 20 minutes behind schedule when leaving the departure stop. You must get on the alternative means of transport chosen within 60 minutes. If you use an IC/EC or ICE, a taxi or a sharing option (e.g. car, bike, e-scooter sharing, on-demand transport) for your trip instead, we will reimburse part of the additional costs arising for it.

NRWupgradeAzubi

A discounted ticket offer for journeys throughout NRW is available for trainees, master students, civil servant trainees, people during a voluntary social year (FSJ), or employees of the Federal Voluntary Service: the NRWupgradeAzubi!

It takes the form of a surcharge on the YoungTicketPLUS subscription and extends its scope to journeys throughout NRW. YoungTicketPLUS subscribers pay the NRW surcharge of EUR 20 per month on top of the subscription price of EUR 62,95. The NRWupgradeAzubi is available exclusively from the transport company where the YoungTicketPLUS was purchased. Passengers who request a new YoungTicketPLUS can book the NRWupgradeAzubi right away.

Please note: The terms and conditions for the YoungTicketPLUS do not extend to journeys in the rest of NRW. You may only travel with a bicycle and an extra passenger within the VRR transport association area.

EinfachWeiterTicket NRW

The EinfachWeiterTicket NRW lets you travel simply and easily in NRW, using the Verkehrsverbund Rhein-Ruhr (VRR), the Aachener Verkehrsverbund (AVV), the WestfalenTarif (WT), and the Verkehrsverbund Rhein-Sieg (VRS).

The flatrate connection ticket will expand your ticket to rides beyond your network area. The ticket will be valid in any public transport in NRW for six hours from validation. You may change any number of times, but circular trips and return trips are not allowed.
