Your contact at the VRR 32 – 35
Dear Customers,

The transport association Verkehrsverbund Rhein-Ruhr (VRR) and its various affiliated transport companies provide you with a coordinated transport schedule and offer tickets, passes and services that fit your individual needs.

With this brochure, we would like to introduce you to our range of tickets and passes – regardless of whether you use local public transport frequently or whether you only occasionally wish to take the bus or train. You can find out which fare categories the various tickets and passes are valid for, and on pages 18 and 19 there is an overview of the VRR operating area. So that you always know who to contact in case you have a question or issue regarding local public transport, we have provided you with the contact information for all of the municipal and rail transport companies that make up the VRR network on the last pages of this brochure.

We wish you safe and happy travels on our buses and trains!

They are valid for 20 minutes from the time of validation, and are exclusively for direct trips. You may only use short trip tickets in buses, trams and underground railways (U-Bahn), however not on regional express (RE) trains, regional (R) trains, or urban railways (S-Bahn).

Fare category C
Fare category C covers moderate travel distances. You can choose between 19 different regions within the VRR network.

Example: Fare category C with region no. 15

Trips to destinations outside the VRR transport network

EinfachWeiterTicket NRW
The EinfachWeiterTicket NRW lets you travel simply and easily in NRW. It requires a time ticket (monthly ticket/subscription ticket) or a network-wide KombiTicket (see p. 30) of VRR, AVV, WT, or VRS, or a time ticket for the NRW tariff.

The flatrate connection ticket will expand your ticket to rides beyond your network area. The ticket will be valid in any public transport in NRW for six hours from validation. You may change any number of times, but circular trips and return trips are not allowed.

Do you have a BärenTicket and would you also like to travel in 1st class on trips beyond the transport association? Then you need an EinfachWeiterTicket NRW for 1st class.

Important notes
Trips to destinations outside the VRR transport network
**Bicycle transport**

Generally speaking, the transport companies are happy to take along your bicycle. In the interest of all passengers, however, this will depend on the time of day, traffic volume, and the available space. Therefore, please enquire in advance about the respective rules of your transport company. If you want to carry a bicycle in the network area, you generally need a FahrradTicket that will be valid for 24 hours after validation. Some tickets include bicycle transport in the ticket features, however. Pages 14 and 15 will tell you whether your ticket allows you to take along a bike free of charge, or whether you need a FahrradTicket. For a day trip beyond the borders of the network tariff area, you can use the FahrradTagesTicket NRW in combination with a cash ticket or time ticket of the VRR or any other ticket of the NRW tariff.

**KombiTicket**

The KombiTicket combines the ticket for admission to an event with a ticket for transport on the VRR network. If you attend events such as conferences, concerts, sporting events or amusement parks, then in some cases your admission ticket also serves as a bus and train ticket.

It is easy to find out if this is the case just by taking a look at your ticket. If it is also valid as a KombiTicket, this will be written on the ticket.

The tickets are valid on the day of the event and are good for the trip to and from the event location. You can obtain your KombiTicket from the event organiser or its vendors and at all sales point that have a KombiTicket logo.
Mobility guarantee

We always want to bring you to your destination speedily. If we are ever unable to do so, e.g. due to congestion, parking offenders, or vehicle issues, you will profit from the mobility guarantee that we offer for all VRR- and NRW-tariff tickets.

It applies when the local transport you want to use is cancelled or if it is at least 20 minutes behind schedule when leaving the departure stop. You must get on the alternative means of transport chosen within 60 minutes. If you use an IC/EC or ICE, a taxi or a sharing option (e.g. car, bike, e-scooter sharing, on-demand transport) for your trip instead, we will reimburse part of the additional costs arising for it.

Users of the Ticket2000 or BärenTicket can receive up to EUR 60.00 around the clock. Users of other tickets will receive up to EUR 30.00 between 5 a.m. and 8 p.m., and up to EUR 60.00 from 8 p.m. to 5 a.m.

5 a.m. until 8 p.m.

= 30,-

8 p.m. until 5 a.m.

= 60,-

To claim this reimbursement, simply submit your application to your traffic provider within 14 calendar days after the delay. You can get the form for it from your KundenCenter or download it from www.vrr.de.
