Bicycle transport

In general, the transport company will gladly transport your bicycle as well. However, in the interests of all passengers, this may depend on the time of day, the volume of passengers and the space available. Please familiarise yourself in advance with the applicable carryon regulations of your transport company.

Timetable app

Would you like to travel by bus and rail and do you need information and services for your journey? With the VRR timetable app and the timetable apps from the local transport companies for iOS and Android you can always have your own personal travel companion with you. Simply enter your starting location and your final destination and the app will show the local transport connections you need to take. If there should be any service interruptions during your journey, you shall be informed of this on your smartphone. You can download the apps from the respective app stores.

The Mobility Guarantee

It applies if the transport you have chosen departs from the stop 20 minutes later than indicated on the schedule and no other obvious bus or rail alternative exists. If you end up needing to take an IC/EC, ICE or taxi to complete your journey, we will reimburse you for a portion of the additional costs incurred. You can obtain the form for this at your customer centre or as a download at www.vrr.de.

Free travel on your birthday across the entire VRR network!

As a YoungTicketPLUS customer, we will refund you **€25** for journeys between 5 a.m. and 8 p.m. For trips between 8 p.m. and 5 a.m., the amount increases to **€50**. You can obtain the form for this at your customer centre or as a download at www.vrr.de.

Fahrten über den Verbund hinaus

NRWupgradeAzubi

For travel across the whole of NRW, a discounted ticket is available for apprentices, master students, civil service trainees, those on a voluntary social year (FSJ) and employees of the Federal Volunteers Service (Bundesfreiwilligendienst): the NRWupgradeAzubi!

This is available as a supplement to the YoungTicketPLUS subscription and extends the area of validity to journeys across the whole of NRW. YoungTicketPLUS holders pay an extra €20 per month on top of the €62.20 subscription fee for the NRW surcharge. The NRWupgradeAzubi is only available from the transport company where the YoungTicketPLUS was purchased. Customers purchasing the YoungTicketPLUS for the first time can add the NRWupgrade at the same time.

Please note: the terms and conditions for the YoungTicketPLUS do not extend to journeys in the rest of NRW. You may only travel with a bicycle and an extra passenger within the VRR transport association area.

The NRW EinfachWeiterTicket

It is a flat-rate add-on ticket for holders of timed passes. It is valid for holders of timed passes within the VRR, VRS and AVV areas. It extends the valid timed passes for trips from VRR into VRS and AVV and vice versa.

The ticket is valid in combination with your YoungTicketPLUS on all VRR, AVV and VRS public transport for four hours after being validated.
